SIGN UP Trevor Hill: We're still experiencing problems with signing up. Please use the sheets on the Board, **and make sure you call in, or Email Trevor, when you can't make it.** Each Senior is responsible for checking the website for scheduled tee times.

SLOW PLAY Trevor Hill: Each person and group is responsible to improve slow play.

Home and Home "Action" Jackson: The Fox Hollow match was very successful. River Oaks won 64 to 32 and a good time was enjoyed by all. Unfortunately we didn't collect enough money – the fee should have been \$40.00 instead of \$30.00. So we need to recover some additional money from those who played. Some people have contributed their share of the short fall; the rest will be funded out of the Senior Men's fund.

Match Play Trevor Hill: Match play has started. Two matches need to be completed by July 30.

Handicaps Dave Ryan: Not everyone has been entering their score for handicaps. We need up to date handicaps for the rangs. Gross scores are not sufficient for Handicap calculation – scores must be adjusted to the maximum allowed on each hole.

Senior Club Championship Dave Ryan: The Senior Men's Championship will be on Saturday and Sunday - August the 25 & 26. **We need additional help with the tournament this year.** We should have at least 4 people to help with this event. Please let Dave know if you can help out.

SCORECARDS Dave Ryan: Scorecards are a mess. They are usually added up wrong, and the numbers are often not clear. Scorecards should be signed and attested by a second person.

Meeting: Adjourned at 8:40 by Trevor Hill
